MEMORANDUM FOR: Legislative Counsel

SUBJECT : Draft Proclamation Entitled "Control of
Persons Departing or Entering the United
States."

1. We are returning herewith the draft proclamation bearing the above title which has been presented by the Office of Defense Mobilization and concerning which you requested the comments of this Office.

2. We have analyzed this proclamation to determine whether or not it would circumscribe Agency activities and we have concluded that it would not do so and is satisfactory as presently drafted. The Agency statutory authority which is most directly related to this subject is Section 8 of the CIA Act of 1949, 50 U.S.C. 403h. The draft proclamation imposes no limitations which go beyond the terms of that statute. The proclamation contains language adequate to permit the exercise of administrative discretion in favor of this Agency by the officials of other departments charged with the execution of the proclamation.

3. We are also forwarding herewith a memorandum prepared by the Alien Affairs Staff, Office of Security, indicating that they anticipate no adverse effect from this proclamation on the entry or departure of aliens of interest to the Agency.
